About the Orientation Programme

This workshop is intended for Vocation Directors who have had no professional training and feel the need of support for their ministry.

Formators and members of Leadership teams are also very welcome on the course.

This is a good opportunity for everyone to be clear on the role each one plays in vocation ministry in order to avoid crossover and develop a sound ethical approach to vocation ministry.

Its goal is to provide participants with the skills, context, theory, challenges and practicalities of contemporary vocation ministry.

TOPICS WILL INCLUDE:

- Theology of call
- Candidate issues
- Discernment
- Assessment and the application process
- The role of membership and religious leadership
- Advertising and education
- Ethics and boundaries
- Self-care of the vocation director

SCHEDULE

The workshop starts at 11a.m. and ends at 6.00p.m.
